ORDER:

In the G.O. read above the Government permitted the refugees from Pakistan to pay their sales tax arrears in instalments and requested the Board to fix the number of convenient instalments in the cas of each class of dealers entitled to the Commission. The Board of Revenue has in its reference read above raised the question how the above concession is to be worked in the case of dealers against ~~whom presentations~~ are pending for non payment of sales tax. The Government have examined the question. They consider that the ~~presentation~~ prosecution in such cases should be withdrawn and the dealers permitted to pay the arrears of tax in the ~~presented~~ prescribed number of instalments and that, in case a ~~fixxx~~ default in the payment of instalments occurs after the ~~presentation~~ is withdrawn action should be taken under section 10 of the Madras General Sales Tax Act to recover the arrears as if they were arrears of land revenue. The Board of Revenue is requested to issue instructions to C.T. subordinate accordingly.
